NATURE'S Choice®

Nature's Choice® CF-2 Marine Diesel Motor Oil

Nature's Choice® CF-2 marine diesel motor oil is specifically formulated for use in Detroit Diesel series 92 Marine diesel engines. These engines require an oil meeting the API Service CF-2 classification with a maximum sulfated ash content of 1%, with a minimum TBN of 7.0. This product can also be used in stationary generating engines or other applications requiring a product with medium ash.

The Nature's Choice® product line was developed in response to President Clinton's Executive Order 13101 which mandated the use of motor oils with re-refined content for government use. Since that time the Nature's Choice® product line has grown from motor oils to include many other types of lubrication. Blending virgin and re-refined base stocks with quality additive chemistry, Nature's Choice® brand products are able to meet the top performance grades required for today's lubrication requirements, while being more environmentally friendly.

Typical Properties:

Product:	Nature's Choice Marine Diesel Motor Oil
SAE Viscosity Grade	40
API Classification	CF-2
Product Code	101164
Kinematic Viscosity @ 100 °C cSt (ASTM D-445)	14.00
Kinematic Viscosity @ 40 °C cSt (ASTM D-445)	135.00
Viscosity Index (ASTM D-2270)	110
Total Base Number (ASTM D-2896)	7.3
API Gravity (ASTM D-1298)	28.7
