Venom Synthetic Racing 3000 SM 5W-20 Motor Oil

Venom® Synthetic Racing 3000 5W-20 is a premium product designed to provide critical protection to high performance engines. Venom® Synthetic Racing 3000 5W-20 motor oil is a full synthetic motor oil based on state of the art API SM additive technology. Additional performance boosts of ZDDP and calcium based detergents are utilized to provide excellent antiwear performance and promote cleanliness in the engine. This blend of high quality components gives the extra performance required for racing conditions.

Properties

- Improved detergency to promote engine cleanliness
- High Sulfated Ash, Phosphorus & Sulfur (SAPS) formulation
- Provides the ultimate anti-wear protection for high performance engines
- Low oil volatility
- Friction modified for enhanced fuel economy

Application recommendations:

Venom® Synthetic Racing 3000 5W-20 Motor Oil is recommended for high performance engines where exceptional engine protection is needed. **This product is not for use in engines using catalytic converters as the concentrated additive formulation will damage emission components.**
